

Affidavit of Cardholder Fraud Claim Form

MEMBER INSTRUCTIONS:

This Affidavit of Cardholder Fraud Claim Form is to be used if you discover fraudulent transaction(s) on your account made using your Salal debit or credit card.

A transaction is considered fraudulent if it is from a merchant where you do not have an account and you do not know how the merchant obtained your debit or credit card number or from transactions when you have not authorized someone else to use your debit or credit card.

- You are not required or expected to contact the merchant on fraudulent transactions.
- You should file a police report if you discover fraudulent card activity on your account.
- If you have the compromised card in your possession, destroy it. Once we have been notified of fraudulent transactions on a Salal debit or credit card, the card is blocked for transactions. A new card will be ordered and sent to you.

COMPLETING THE FORM:

The Affidavit is organized into three sections. Please provide all information requested.

SECTION I
