

Subordination Requirements

UCC Filings: UCC agreements must be paid in full in order for a lien release.

In order to consider a request for subordination of our UCC lien to your proposed mortgage loan, the following information is required to be delivered to Salal for review:

1. Payment of \$100 fee for completion of subordination. Payment can be made:
 - a. Preferably by phone at **800.562.5515** (Mon—Fri: 9:30 a.m.—5:30 p.m., Sat: 10:00 a.m.—2:00 p.m. PT) or;
 - b. Mail a check which includes a reference to our borrower's name and loan number on the check.
2. Letter or email request to include the following:
 - a. Lien Holder/Mortgage Company contact phone number and email address. This will be used if we have any questions about the documents we received.
 - b. The name of the new Lien Holder/Mortgage Company, exactly as it would appear on the *Subordination Agreement*.
3. Please provide a pre-paid overnight shipping label for USPS, FedEx, or UPS. Otherwise, we will mail the *Subordination Agreement* via standard USPS.
4. Form 1003 Mortgage Application or equivalent.
5. Copy of the Title Commitment showing current vesting and recording information for Salal Credit Union UCC Filing or the UCC Financing Statement.

Allow approximately ten (10) business days for turnaround from the time we receive all required documents including fee (rush requests will not be accepted). Salal will draft and execute a *Subordination Agreement*. We do not accept external agreements. Agreements will be completed in order of those received with requirements listed above.
